6.7	Faculty Performance, Appraisal and Development System	15
	Self-Assessment	12

FACULTY PERFORMANCE: Faculty performance is assessed through Student Feedback, which is taken twice in a semester, one in the mid semester and one at the end of the semester. The format for Student feedback is given in

FACULTY APPRAISAL:

Faculty performance is appraised at the end of each Academic Year. The evaluation format consists of 4 parts, namely- Academic Appraisal, Subjective Appraisal, Over and Above weightage, and Appraisal Evaluation Summary.

Academic Appraisal gathers descriptive data on Teaching Learning, Publications, and Knowledge enhancement programs attended (like workshops, conferences and seminars), Sponsored Research, Consultancy, understanding of Outcome based education, Student Faculty interaction, Use of ICT, Best Practices, Content beyond syllabus etc. This data is provided by the Faculty.

Subjective appraisal is filled by the Director for areas like Punctuality, Timely completion of responsibility, Best Practice implemented, Communication Skills, Usefulness to the Institute, Understanding of OBE etc.

Over and Above weightage provides additional points to the Faculty for achievements like publication in indexed Journals, PhD awarded, Publication of Books, and Membership of Professional Societies

Appraisal Evaluation Summary captures the quantitative data for Academic Appraisal points. This is filled by the Faculty members and validated by the Director. The Total score is communicated to the Faculty, so that he/ she can identify the areas for improvement.

FACULTY APPRASIAL

The Faculty Quarterly Evaluation serves as a comprehensive structure to evaluate faculty performance across multiple areas, encouraging continuous improvement and academic excellence throughout the academic year. It consists of key parameters including Teaching, Research, Consultancy, Innovation, Entrepreneurship, Mentoring, and other additional activities, each contributing to the overall evaluation.

Teaching excellence is a basis of faculty evaluation, with faculty members expected to achieve a success rate of over 95% in their respective subjects each trimester. This ensures effective delivery of course material and complete understanding among students, accounting for 10 marks in the evaluation.

Research performance is another critical aspect, requiring faculty members to publish a minimum of two research papers annually in recognized journals indexed in Scopus and UGC-CARE list. This demonstrates scholarly contributions and advances academic knowledge, contributing 20 marks to the evaluation.

In the domain of Consultancy, faculty members are encouraged to engage in consulting activities, aiming to generate a specified amount annually or alternatively by contributing to academic literature through book chapters or publications. This aspect carries a weightage of 10 marks.

Innovation is emphasized as faculty members are encouraged to demonstrate their creativity by earning a certain amount through innovative projects or by submitting patents annually, contributing 10 marks to the evaluation.

Entrepreneurship is actively promoted, with faculty members collaborating with students to launch ventures, earning a specified amount or establishing new businesses annually. Entrepreneurship also carries a weightage of 10 marks.

Additionally, faculty members are encouraged to participate in various activities such as mentoring students, teaching MOOCs, delivering technology talks, and attending FDPs and MDPs. These activities contribute significantly to faculty and student development, accounting for 40 marks in the evaluation.

The Faculty Quarterly Evaluation provides a structured framework to assess faculty performance comprehensively. By evaluating performance across various dimensions, it makes sure continuous improvement and enhance an environment good for academic excellence and growth. It motivates faculty members to excel in teaching, research, consultancy, innovation, entrepreneurship, and other activities, thereby enhancing the overall quality of education and contributing to the advancement of knowledge and skills within the academic community.

DIRECTOR
INTERNATIONAL INSTITUTE
OF BUSINESS STUDY

#75 Muthugodahalli, Jaala Hobli,
Bengaluru North - 562157

Leader and Faculty selection process:

At the Indian Institute of Business Study (IIBS), a transparent faculty selection process is implemented to ensure the recruitment of high-quality educators, fostering excellence in teaching and learning.

Leader selection process

Faculty selection process

The institute adheres to AICTE norms for faculty recruitment, including positions such as Professor, Associate Professor, and Assistant Professor. The recruitment information is widely publicized through newspapers, as well as on the institute's website. Additionally, employee references and associates are utilized for broader outreach.

The approval of the Board is required for the selection of the Director and Program Heads, and Department heads play a crucial role in approving faculty appointments. When appointing faculty members, the institute considers factors such as teaching experience, industry exposure, and other relevant credentials. Demo classes are mandatory for faculty positions, and candidates are required to bring educational credentials, experience certificates, and pay slips for verification. Following successful interviews, the HR department conducts reference checks, background verification, and document verification before extending the appointment letter.

Joining formalities include the submission of relevant documents specified by HR. Employees typically undergo a probationary period of six months, subject to management discretion based on the situation. Throughout this period, employee performance is closely monitored.

- Shortlist candidates based on their academic achievements, teaching experience, and industry exposure.
- Evaluate the candidate's industry connections, practical experience, and the ability to bridge academic and industry perspectives.
- Consider the candidate's research background, publications, and contributions to their field. Look for a balance between practical industry experience and scholarly activities.

4. Interview Process:

- Conduct a preliminary interview to assess the candidate's communication skills, teaching philosophy, and understanding of the subject matter.
- Assess the candidate's ability to integrate real-world examples into teaching and adapt to a dynamic educational environment.

5. Teaching Demonstration:

- Request short teaching demonstrations to evaluate the candidate's teaching style, classroom management, and ability to engage students.
- Assess the use of innovative teaching methodologies and technologies.

6. Peer Review:

- Involve current faculty members in the interview process to get their perspective on the candidate's compatibility with the department and teaching philosophy.
- Encourage peer feedback on the candidate's potential contribution to the college's academic community.

7. Reference Checks:

- Conduct thorough reference checks to verify the candidate's qualifications, teaching effectiveness, and professional conduct.
- Contact previous employers, colleagues, and mentors for insights.

8. Diversity and Inclusivity:

- Encourage diversity in the faculty selection process, considering candidates from various backgrounds and experiences.
- Ensure a fair and unbiased selection process.

9. Final Selection:

- Based on the assessments, select candidates who align with the college's mission, values, and commitment to academic excellence.
- Communicate clearly with the selected candidates regarding their roles, responsibilities, and expectations.

10. Orientation and Professional Development:

- Provide comprehensive orientation for new faculty members.
- Offer ongoing professional development opportunities to enhance teaching skills and stay updated on industry trends.

1.6 Counting of Experience for appointment / promotion:

Experience	Weightage
Teaching experience in Universities / Management Institutions / Reputed Industries / Overseas Experience	Actual experience (100%)

Teaching experience in UG & PG / Arts & Management College / Private Institutes / Schools / General Industry	Half of the Actual experience (50%) – however in certain meritorious cases, 100% weightage was given as last year
Part time / Visiting Employment	One-fourth of the Actual Experience (25%)

For the purpose of calculation of experience, documentary evidence such as Appointment Order / Relieving Order and Experience Certificate is mandatory. Principal / HR Department will decide on the actual experience taking into account the proof submitted. Only completed year of service will be taken into account for the purpose of salary fixation – if a person has 6.10 years' experience, it will be construed as 6 years' experience only. However in certain cases, the 10 month experience was considered as one full year and full weightage would be given for Industry / other teaching experience.

Selection of Teaching and Non-Teaching Employees:

(a) Mode of Selection of Regular Faculty:

Direct recruitment to all cadres is based strictly on merit. In all the cases, the following procedures are followed-

The age of the employee, verified with reference to any of the above shall be the sole evidence of the age of the employee for all purposes including appointment and retirement.

(xiii) The applications of other candidates, who could not be selected due to lack of vacancies, will be filed separately as "Wait Listed".

As and when required and depending on emergency / exigency situations, adhoc appointments are made on contract basis for specified periods.

(b) Composition of Selection Committee:

1. Every Selection Committee shall consist of the following members:

For appointment of Professors:

- Chairman
- Director & Executive Director
- Principal / Vice Principal
- Chief HR Officer
- External Expert

For appointment of Associate Professor and, Assistant Professor

- Chairman
- Director & Executive Director
- Principal / Vice Principal
- Chief HR Officer
- External Expert

2. The meetings of the Selection Committees shall be convened by the Chairman of the Selection Committee as and when necessary.

(c) Mode of Selection of Technical / Non-Teaching staff:

All positions are advertised in the press / on-line portals. After the applications received, the eligible scrutiny candidates are shortlisted and intimated to appear for the Selection Committee consists of the following.

- Chairman
- Director
- Principal / Vice Principal
- Chief HR Officer
- External Expert

be maintained by the Department.

Identity Card

Every employee shall be given an identity card, appropriate to his classification and shall wear it while on duty and on being required to do so, show it to the person authorized by the Chairman. The ID card should be worn with the lanyard by all the staff during the working hours and during the travel time in the Institution bus.

The Identity Card shall carry the Photo of the employee, Name, Employee No., Designation, Department, Date of Birth, Blood Group, Contact No., and Residential Address. The said identity card shall be issued duly signed by the authority concerned.

If the employee loses the identity card, the Institution shall provide him with another ID card on payment of the requisite fee of Rs.200.

When an employee ceases to be in employment of the Institution, he shall surrender his ID card to the Department before his accounts are settled.
